*Dear Hans,*

*Had a pleasant and productive visit in Madison yesterday. Attached is a detailed report (copy sent also to Jan, Candace, Bettie, and Mohamadi). I will see you Tues 9/3 for the TES mtg (2-4 p.m.) and Wed 9/4 10 a.m.-12 noon when Mohamadi presents our recommended revised TES Pilot study report table of contents and study report critique. I will e-mail a copy of the surveillance proposal probably Wed. You mentioned something about the TES PI mtgs last week; if you do wish me to attend, just let me know. Have a great holiday weekend!*

*Best regards,  
Barb*
